

# Tukwila Chipper Days

3rd Saturday  
of Each Month

**10 am to 1 pm**

Foster High School  
East Parking Lot  
4242 S. 144th St  
City of Tukwila

## For the Longhorned Beetle Quarantine

**Attention Tukwila Residents and Businesses in the Quarantine Area:**  
We need your cooperation to stop the potential spread of the Citrus Longhorned Beetle. "Chipper Days" are being held to help you dispose of items that can't be moved out of the Quarantine Area (see list of host trees and plants on reverse). Chipping and disposal are free of charge. Be ready to present your driver's license or utility bill for proof of Tukwila residency.

We are happy to **accept** and dispose of the following types of materials from hardwood trees and shrubs in the quarantine zone:

Deadwood, trees trunks, branches, and prunings of hardwood species

Hardwood items mixed with wood from evergreen species

Hardwood trees grown within the quarantine area

Stumps—If you want to dispose of stumps, please call (800) 443-6684 to make arrangements.

We **are unable to accept** the following types of materials:

Grass, leaves, or other yard waste

Lumber and fence posts

Painted or preserved wood

Material containing rocks, dirt, metal, fasteners, wire, or twine

Wood or prunings for only evergreen species—evergreen trees (conifers) are not under quarantine and can be disposed of as usual.

Chipper Day 2002:  
City of Tukwila and  
Washington State  
Department of Agriculture  
Employees working  
together.

For more information on the Citrus Longhorned Beetle and the Quarantine, call:  
Washington State Department of Agriculture (800) 443-6684
